

Touristic Plot for Sale

For Sale : **€ 244,000**

Description
A well-positioned touristic plot for sale in a peaceful coastal area of Kiti, offering an excellent opportunity for investment or development, just a short distance from the beach.

The property has a total area of 1,573 sqm, featuring a flat and even surface with dual road frontage, providing convenient access and flexibility for development. It is situated close to local amenities, the coastline and nearby village centres. The property benefits from a separate title deed, making it an attractive opportunity for investors and developers seeking a property in a desirable coastal location.
